

Pediatric Environmental Health Resources

General Resources

Clinical Tools

Pediatric Environmental History Health Forms

<http://www.neefusa.org/health/PEHI/historyform.htm>

Developed by the National Environmental Education Foundation to aid providers with taking an environmental history, and provides a more detailed environmental history for asthmatics.

Pediatric Environmental Health, 3rd Edition (aka "The Green Book")

<http://www.aap.org/en-us/about-the-aap/Committees-Councils-Sections/Council-on-Environmental-Health/Pages/Pediatric-Environmental-Health-Third-Edition.aspx>

A comprehensive AAP clinical guide to the identification, prevention, and treatment of pediatric environmental health problems

New York City Department of Health Lead Management Guidelines

<http://www.nyc.gov/html/doh/downloads/pdf/lead/lead-guidelines-children.pdf>

Clinical guidance on lead risk assessment, educational messages, testing procedures, and follow up plan from the NYC Department of Health

Addressing Environmental Contaminants in Pediatric Practice

<http://pedsinreview.aappublications.org/content/32/5/190>

An article published by the American Academy of Pediatrics (requires a subscription to the American Academy of Pediatrics' Peds in Review)

Parent Factsheets

Simple Steps to Protect Your Family from Toxins in Our Everyday World

<http://www.mountsinai.org/patient-care/service-areas/children/areas-of-care/childrens-environmental-health-center/tips-for-parents>

An easy to follow guide to help parents reduce exposures, developed by the Mount Sinai Children's Environmental Health Center

Chemical Biomonitoring Fact Sheet

<http://icahn.mssm.edu/research/programs/pediatric-environmental-health-specialty-unit/for-patients/fact-sheets>

Provides basic information on chemical testing and its limitations, developed by the Mount Sinai Children's Environmental Health Center.

General Resource

Textbook of Children's Environmental Health

www.oxfordmedicine.com (search for: Textbook of Children's Environmental Health)

A comprehensive guide to the field of pediatric environmental health; Edited by Philip Landrigan, MD and Ruth Etzel, MD

Local Resources

Clinical Consultation

Region 2 Pediatric Environmental Health Specialty Unit (PEHSU) at Icahn School of Medicine at Mount Sinai

<http://icahn.mssm.edu/research/programs/pediatric-environmental-health-specialty-unit>

866-265-6201 (toll-free)

PEHSU@mountsinai.org

Stony Brook Center of Excellence in Children's Environmental Health

<http://www.nyscheck.org/>
