

No Time To Waste

Friday evening March 24
6 - 8:30 pm
Milton L Olive Middle School

Presented by the Earth Rangers

This year

Join us for dinner and a game show!

Did you know that 25 trillion macro & 51 trillion microplastics litter our oceans? Of that, 269,000 tonnes float on the surface. This is the equivalent of 1345 blue whales & 500 times the number of stars in our galaxy.

Play "Jeopardy" and "Family Feud" with us and see what you know!

*This is for anyone
who lives in
Wyandanch.*

*An Earth Ranger is someone who cares both **about** the earth and **for** the earth. Earth Rangers understand the importance of learning about the earth's life systems and enjoy experiencing the natural world, but they also know that some of the living things on the earth are in trouble and how they can help.*
